

Arizona Ballet Theatre ♥ Rehearsal Week & Performance Weekend

Beginning Tuesday, May 30th we will be rehearsing at the Stevie Eller Theatre on the University of Arizona campus. Your dancer should arrive with their costume bag, make-up on (if wearing) and hair already done for the first dance they are scheduled to rehearse or perform. (If you need assistance with hair please arrive a few minutes early and our back stage crew will be happy to help.) Please keep all costume pieces together in your dancer's labeled bag, be sure tights are clean and without tears or runs, and we strongly suggest writing your dancer's name in each of their shoes. Jewelry (with the exception of small post earrings) is not to be worn on stage and should not be worn to rehearsals or performances.

**Mr. Walker's dancers will warm up with him in studio 301 at 5pm each evening.
All other dancers will warm up on stage with Miss Cecily.**

Beginning Friday evening (dress rehearsal) we will ask parents to remain outside the dressing room. We will have staff to supervise and assist your dancers. You are welcome to observe the rehearsals from the comfortable seats in the Eller Theatre, and may take photos during rehearsals. Photos are not allowed during the performances.

If you would like to order flowers to present to your dancer after one or both of the performances, arrangements can be made in the lobby of Arizona Ballet Theatre from now until Wednesday May 31st.
